

Dear Colleague,

It is a honor for us to invite you to participate in the **10th International symposium on obesity and related diseases**, a satellite symposium of the 21st European Congress on obesity, Sofia 2014. The symposium will take place in **Albena**, on the Black sea coast of Bulgaria **from 1st to 3rd June 2014**.

Important information:

Dates: 1-3 June 2014

Location: Flamingo Grand hotel 5*, Bulgaria, Black sea coast

Official language: Bulgarian and English

Organisator: BASORD (Bulgarian Association for the Study of Obesity and Related Diseases)

The main topics to be considered of the symposium are related to implanting a healthy diet in the prevention and treatment of obesity and related metabolic and cardiovascular diseases:

- The role of different dietary products and nutrition supplements is combating the so called “diseases of the civilization”,
- The problems of childhood obesity and nutrition in preschool and school age
- The role of diet in the prevention and treatment of obesity, metabolic syndrome and commodities. New aspects.
- Obesity - diabetes - DIAOBESITY. Current problems;
- New tendencies in the pharmacotherapy of obesity and the related diseases
- Discussion on the beach!!!
